1.

A pink alien with a question mark box above it is next to a blue alien holding a red question mark. A green alien with a number 5 box is on the right. Between them is a blue plus sign and a green equals sign.

$$\text{?} + \text{?} = 5$$

2.

A green alien with a number 3 box above it is next to an orange alien with a question mark box above it. A green alien with a number 7 box is on the right. Between them is a green equals sign.

$$3 + \text{?} = 7$$

3.

A green alien with a question mark box above it is next to a green alien with a number 9 box above it. A green alien with a number 16 box is on the right. Between them is a green equals sign.

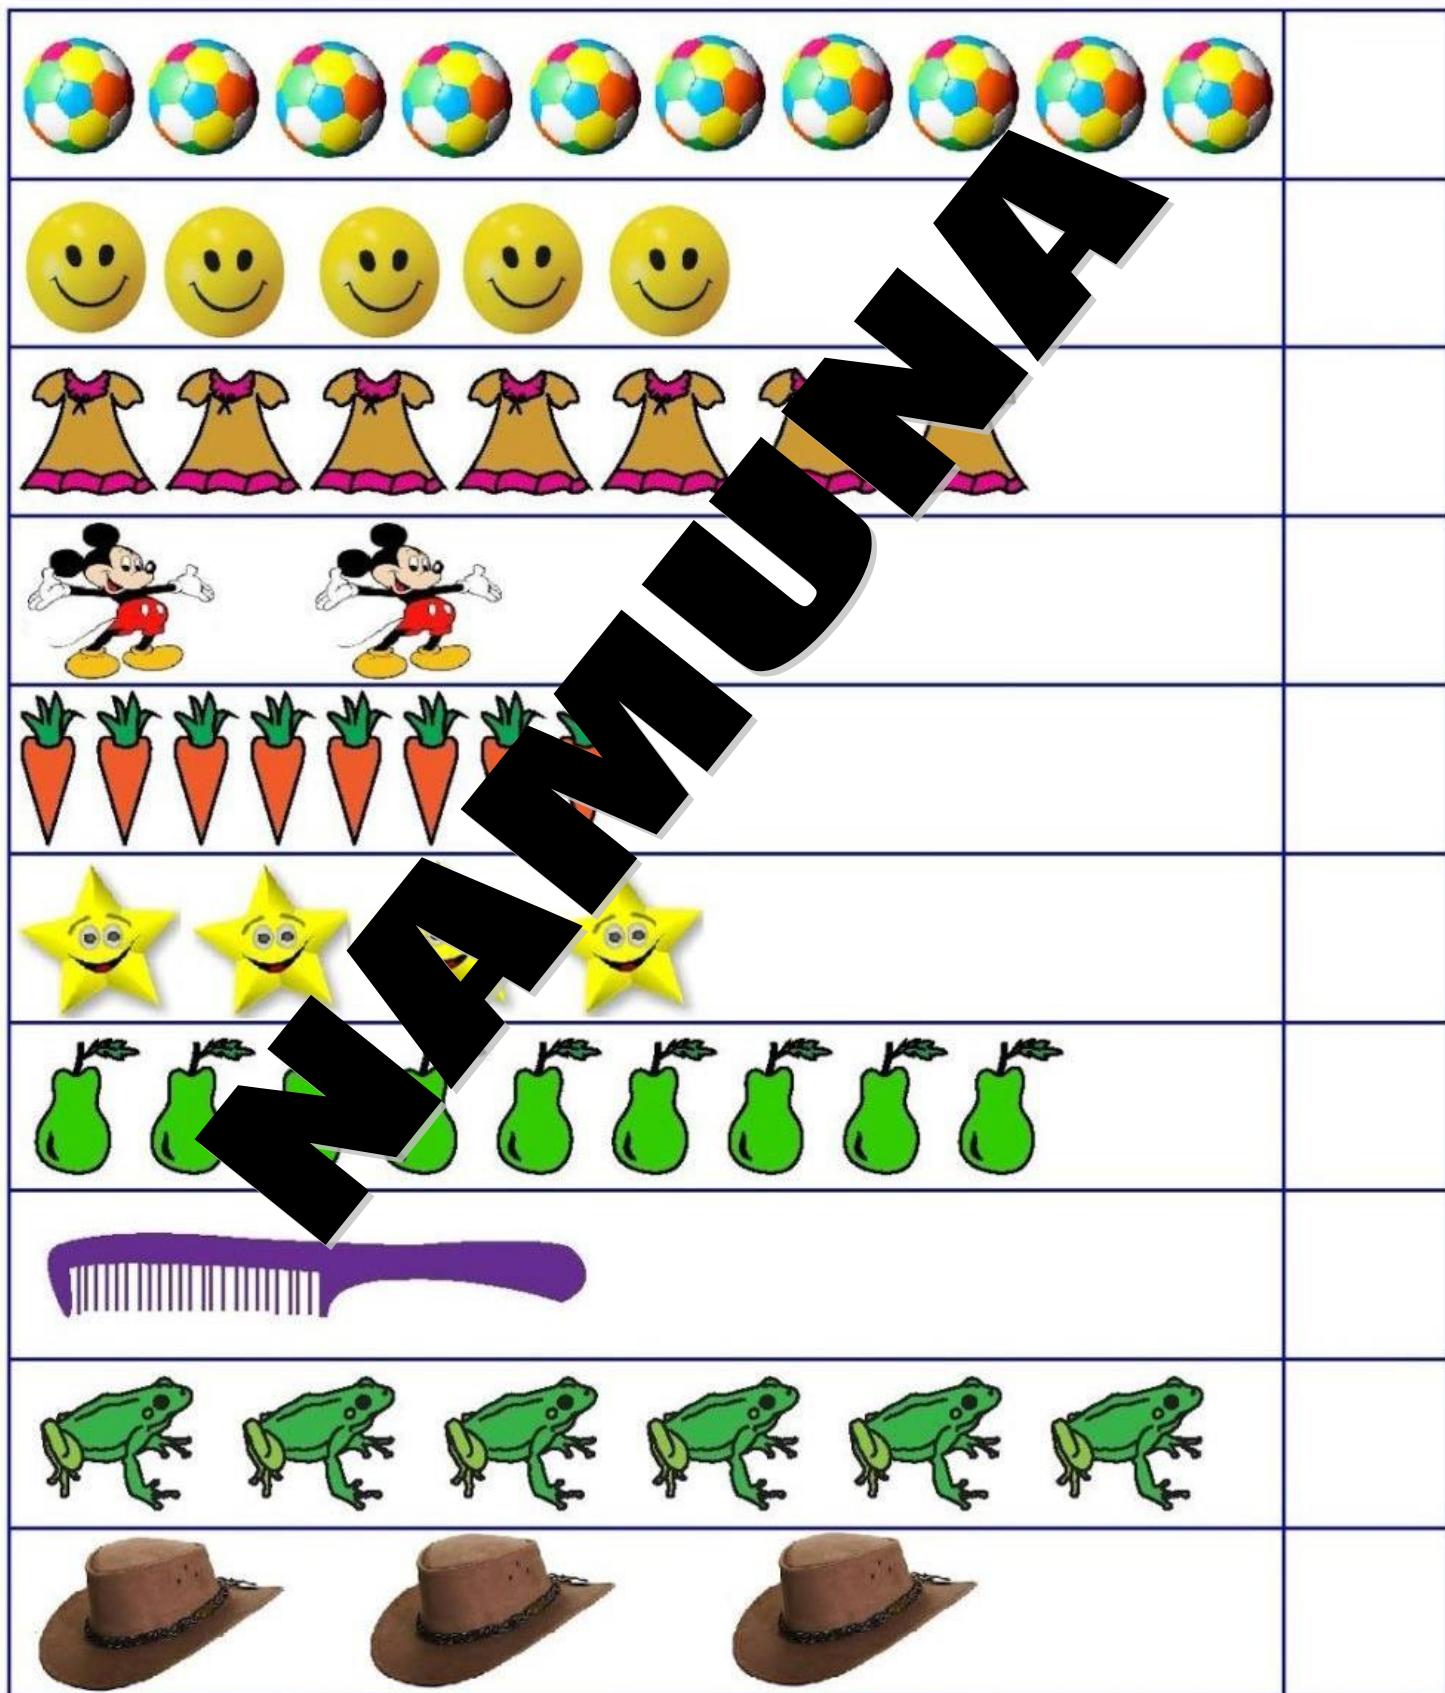

$$\text{?} + 9 = 16$$
