Bo'yash uchun

Яблоки

На ветках шарики поспели,
Они в саду всё лето зрели!
Они любимцы всех ребят.
В них сада сладкий аромат.

Помидоры

На кустике ветвистом красные плоды,
Толстые, пузатые, узнаешь их ты?
Как большие ягоды на веточках висят
Угощают с радостью взрослых и ребят.

Огурцы

Зелёные овощи на ветвях висят,
С нетерпением просятся в овощной салат.
Свежие, сочные, прохладные на вкус,
Ешь их – раздаётся аппетитный хруст.

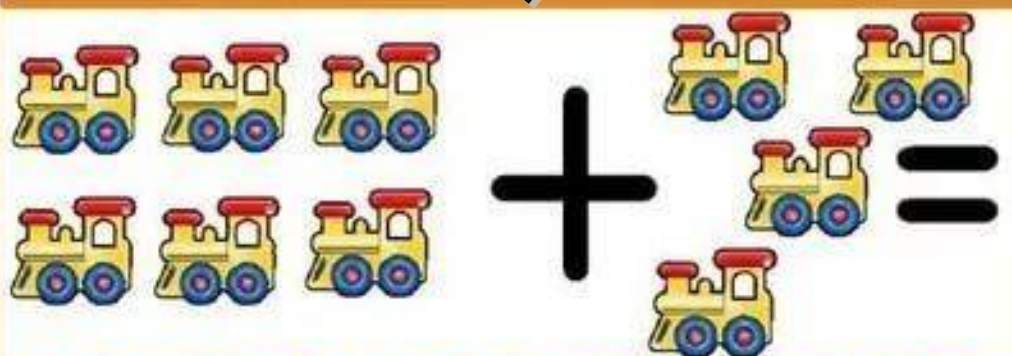

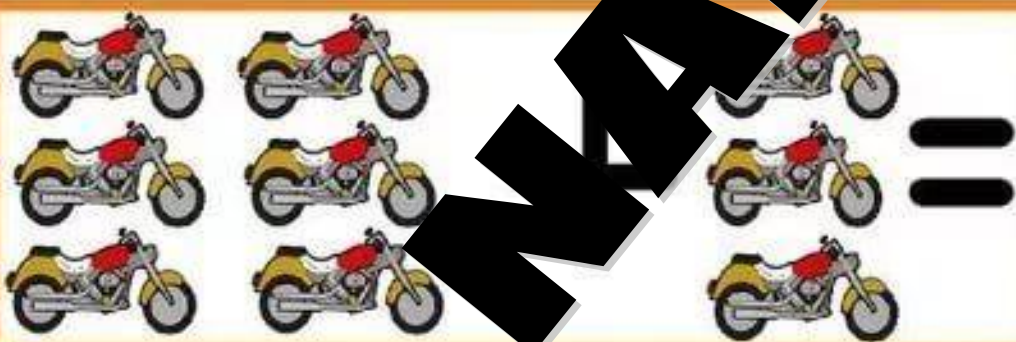

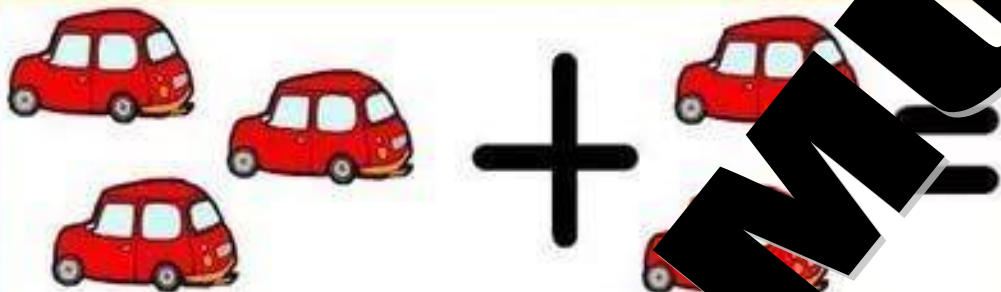

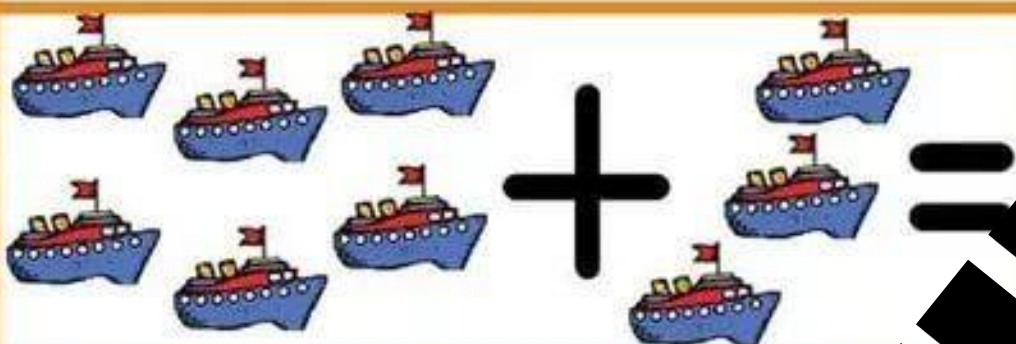

Клубника

Если погулять в огород пойдёшь,
Наклонись, и ягодки красные найдёшь.
Сладкие, душистые – просто объеденье,
Дарят эти ягодки вкусное варенье.
