17. Read and listen

The Sonoran Desert
by Joe

Last spring, our class went to the Sonoran Desert in Mexico. It's one of the biggest and hottest deserts in North America. We went in the spring because the summer is too hot.

We stayed there for a week. When we arrived, it was sunny and windy. On our first day, we visited the Altar sand dunes. Some of the dunes are more than one hundred meters high. They were beautiful, and we enjoyed climbing on them.

It's very dry in the Sonoran Desert. There are lots of cacti, but there aren't usually many other plants. We were lucky because on our second day, it started to rain. When it rains, the desert changes because flowers can grow. We went hiking on the last day, and there were beautiful flowers everywhere!

18. Read again and say true or false.

- 1 The Sonoran Desert is in Brazil.
- 2 It isn't a big desert.
- 3 The desert is very hot in winter.
- 4 The sand dunes are very high.
- 5 It never rains in the Sonoran Desert.
- 6 Flowers can grow in the spring in the Sonoran Desert

Evaluating.

Giving homework.

Your turn!

Think about a class trip.
Where did you go?
What season was it?
What was the weather like?
What did you do?

Now write about it in your notebook.
